We are Called, Gathered, Equipped and Sent to share the Heart of God (Cardia Deo) in the world. This year we focus on what it means to be Equipped. Through Bible studies, worship, and time together, youth and adults will learn and live out the faith practices that equip us to love God and love each other.

Cardia Deo is a full weekend of fun and faith-nurturing activities including Bible studies, a mystery event, service learning, worship, and camp life—all planned and led by the LYO Board! And an adult

track led by the retreat chaplain feeds the faith of adult leaders as well!

Cardia Deo is much more than an event. It is space in a busy world to be away from the demands and pressures of daily life, to be yourself in a safe space, to be in community with people who accept you as you are, to be challenged to learn and grow in faith, and to be loved by God...so you can return home transformed to be the person God has called, gathered, equipped and sends you to be! **CHECK PLEASE** by Jonathan Rand

Dating can be hard. Especially when your date happens to be a kleptomaniac, or your grandmother’s bridge partner, or a mime. Check Please follows a series of blind dinner dates that couldn’t possibly get any worse – until they do.

## **MONTHLY WORSHIP**

Thank You for sharing your gifts during worship in January. We continue to ask you to check your calendar for February and March sign up to be a part of worship. We are still in need of overall

leadership for each area: greeters, acolytes, communion servers, coffee hour servers. Contact either La Jean Herman (389-1209) or Helen Olson (389-4131) if you are willing to help us out. You are an important part of worship and we need to share our gifts for the glory of God at Immanuel. Thank You!!

The whole seating area of the Sanctuary is “looped” to help with hearing. If you have a telephone switch or T-Coil in your hearing aid, all you have to do is switch it on or it may automatically turn on when in the loop. You will hear directly from the PA System and clarity is amazing. We welcome feedback, please let Jensine or Jerry know good and bad as we are still making adjustments!

Connection Cards. We are using what we call Connection Cards which are found in the hymnal racks. People in the pews are asked to share the same information they have in the past but in a different format. There is the addition of a perforated card at the bottom for visitors to take with them for information or for members to tear off to give to someone to share about Immanuel Lutheran Church. All

volunteer sign-ups will be through an additional ½ sheet insert or eventually through our Welcome Center.

There is now a Prayer Request tab on the website. You can put your request on it and it will go straight to Jensine Turner and Pastor Paul. If you don't have email access, contact Jensine Turner at 763-389-3193 or [jensineturner01@gmail.com](mailto:jensineturner01@gmail.com).

## **COMMUNITY EVENTS**

### **CAMP ONOMIA**

Hello and greetings from your Camp,

The camp board has decided to use this year to explore options available to us for remodeling our summer dining hall. 2019 is our 70<sup>th</sup> anniversary year, and the Old Friendship Hall has been around for those 70. We are in need of a structural engineer or architect who can help us with some options for improving the building. If you have a congregational member, or have worked with an architect or engineer who understands the not for profit world that we are based in, please pass on their name or make a contact for us. I appreciate your assistance as we move ahead on this challenging endeavor.

God's Peace,

Jim Schmidt
